Our Mission

Nest Space is a comfortable and welcoming environment where you can work, relax, and socialize. Whether you need a quiet place to concentrate, enjoy a drink, or hold a meeting, Nest Space is the perfect setting. It's designed to promote relaxation, productivity, and social interaction. Additionally, we offer a variety of unique items for purchase so you can take a piece of the Nest Space atmosphere with you.

A visual identity for a brand called "Nest" that focuses on comfort, relaxation, and nature. Here are the appropriate modifications:

► Dark Blue-Sea Wave: This color symbolizes the relaxation and serenity that can be felt when you are in "Nest's". Just as the sea brings calm, this color reflects the depth and comfort that the place provides, whether for work or study.

► Olive Green - Olive Trees: Represents nature and sustainability and is linked to the idea of "Nest's" as a comfortable and natural place, as it enhances the feeling of connection with nature and the surrounding environment, just as olive trees reflect growth and fertility.

► Orange - Autumn Path: Expresses the warmth and home comfort that «Nest» offers. Just as autumn gives a feeling of warmth and change, this color reinforces the idea that "Nest's" is a place that provides a comfortable and welcoming environment all year round.

► Dark Brown - Coffee Beans: Reflects the warmth and comfort of having a cup of coffee inside "Nest's". Brown symbolizes authenticity and a warm atmosphere that is similar to the experience of drinking fresh coffee in a place that promotes calm and focus.

► Beige - Nest: Representing comfort and intimacy, beige is the primary color that reflects the essence of "Nest" as a safe and warm place that resembles a nest, where everyone can feel safe and relaxed, just like a bird in its nest.

This visual identity reinforces "Nest's" association with nature, tranquility, and warmth, creating an overall experience that is in harmony with the idea of the nest as a haven for rest and creativity.

As we bring this project to a close, I want to extend my sincere gratitude to the team of the Digital Egypt Pioneers Initiative-Dakahlia Governorate (First Edition). Your unwavering dedication, support, and collaborative spirit have been instrumental in achieving this milestone. Each team member's unique ideas and creativity have truly shaped a project that reflects our shared vision with excellence.

I also want to express my deep appreciation to Instructor Abeer Ismail, whose significant role in providing practical training in Adobe Graphic Design programs has been invaluable. Your support and guidance have significantly enhanced our skills and elevated the quality of this project.

I extend my heartfelt thanks for your hard work, constructive feedback, technical support, and continuous encouragement. Your dedication and commitment have been pivotal in bringing this project to fruition.

Looking ahead, I am confident in our potential for more successes and future collaborations. I believe this project is just the beginning of many more remarkable achievements to come.

The logo represents "Nest Space" by seamlessly combining the letters "N" and "S", inspired by the branches that form a nest. The curved lines symbolize warmth and comfort, reflecting the idea of the space as a comfortable environment for work and meeting.
